## **Dr. Ben Carson's Little Patriot's Curriculum Available for Students at McKinney Christian Academy**

*Little Patriots approved as supplemental educational material*

MCKINNEY, TX - Today the American Cornerstone Institute (ACI) announced its Little Patriots Program will now be available as supplemental education material for students at McKinney Christian Academy.

“There are few failures that are more detrimental to a community than failing to educate the next generation of citizens... We must ensure that future generations of American’s are given the opportunity to achieve the American dream, and that starts with hard work, a good education, and a robust knowledge of our nation’s storied history,” said ACI Founder & Chairman, Dr. Ben Carson. “It was with this understanding that we developed the Little Patriots program as a tool for every parent, grandparent, or educator that wishes to teach America’s true history to the next generation of leaders. I am grateful for schools like, McKinney Christian Academy, for prioritizing civics education and I look forward to the continued partnership.”

“MCA was honored to have Dr. and Mrs. Carson as our distinguished guests on campus. Having them share the book, ‘Why America Matters’ and more from the Little Patriots program was such a blessing,” said Heath Nivens, Head of School at McKinney Christian Academy. “The American Cornerstone Institute is conducting critical work toward shaping the future of our country by impacting today’s youth. We are thrilled to provide this curriculum to our students and honored to now include Dr. Carson’s books and the Little Patriot program here at MCA and on the shelves of our library.”

Little Patriots is a free, online educational program for kids created by the American Cornerstone Institute to teach children about the importance of civic engagement and our nation’s founding principles. The Little Patriots program is two pronged-- featuring books and an online learning platform with a curriculum for elementary aged children created by teachers and education professionals.
