The American Cornerstone Institute Launches the Perilous Fight Faith Tour, Kicking It Off at Prestonwood Baptist Church

PLANO, TX: On May 26, 2024, the American Cornerstone Institute (ACI) launched the Perilous Fight Faith Tour, a nationwide series of events at faith-based congregations and organizations. Dr. Ben Carson, Founder and Chairman of ACI, will be a guest speaker during services at Prestonwood Baptist Church on Sunday. He brings a message on the decline of faith and family values in American culture and the urgent need to preserve these principles. The services will be livestreamed at prestonwood.org/live at 9:30 and 11:00 a.m., followed by a signing of his latest book, *The Perilous Fight*.

“We are in the midst of a serious battle right now... an all-out war is being waged against traditional family values and Godly principles in this country, leading America down a dark path. The moral foundation of this country is being stripped away before our very eyes, and the future of America hangs in the balance. I applaud leaders like Dr. Jack Graham, Pastor Scott Turner, and the team at Prestonwood Baptist Church for unabashedly standing up for these values. It’s time to fight back,” said ACI Founder & Chairman, Dr. Ben Carson.

“I am blessed to call Dr. Ben Carson my friend,” said Dr. Jack Graham, Senior Pastor of Prestonwood Baptist Church. “He is truly one of the most honorable, steadfast and accomplished men I’ve ever met. I love his story of faith and perseverance – of rising from the depths of poverty to the pinnacle of success as a renowned neurosurgeon, philanthropist, motivational speaker and best-selling author. In this chaotic culture we live in, I am grateful for a man such as Dr. Carson, who has been a faithful advocate in our country in the matters of faith, family and traditional values.”

“Dr. Carson is a true example of a Christian soldier walking in the call God has on his life,” said Scott Turner, Associate Pastor at Prestonwood who served under Dr. Carson in the Department of Housing and Urban Development. “He and Candy have been so faithful not only to speak about the cornerstone principles that make America great but also to live out those principles in

their family, work, and ministry. I am grateful to Dr. Carson for his love for God, family, and country. He has been a tremendous blessing in my life and my family.”
