## **Dr. Ben Carson's Little Patriots Curriculum Available for Students at Jackson Hole Classical Academy**

JACKSON, WY – On June 7, 2024, the American Cornerstone Institute (ACI) announced that its Little Patriots Program will now be available as supplemental educational material for students at Jackson Hole Classical Academy (JHCA). Dr. Ben Carson, Founder and Chairman of ACI, will visit JHCA as a guest speaker during a special assembly on Friday. He will discuss the importance of civics education among America's youth, ACI's Little Patriots Program, and read his children's book, *Red, White, and Blue: Our Flag Matters to Me and You*, to students, faculty, and parents.

"Now more than ever, it is crucial that we teach the next generation of Americans our nation's history, warts and all. America was built on the assumption that society would be made up of an educated populace that deeply understands our nation's founding principles, engages in civic responsibility, and prides itself on American excellence and love of country. The future of our young Republic depends on it," said ACI Founder & Chairman, Dr. Ben Carson. "I want to thank Paul Harrell and the community at JHCA for recognizing this important ideal, welcoming us onto campus, and eagerly accepting our Little Patriots Program as supplemental educational material for their students."

"We welcome a bold and visionary pioneer not only in medicine but also in all that could heal our beloved nation," said Paul Harrell, JHCA's Head of School.

Produced by the American Cornerstone Institute's Little Patriots Program, *Red, White, and Blue: Our Flag Matters to Me and You* is available at [LittlePatriotsLearning.com](http://LittlePatriotsLearning.com) or wherever books are sold.
