## **Dr. Ben Carson and Governor Sarah Huckabee Sanders Visit Christ Little Rock School**

LITTLE ROCK, AR - On May 17, 2024, Dr. Ben Carson and Governor Sarah Huckabee Sanders visited Christ Little Rock School and handed out copies of Dr. Carson's children's book *Red, White, and Blue: Our Flag Matters to Me and You*.

"It was a pleasure visiting the great state of Arkansas, meeting the wonderful staff at Christ Little Rock School, and, of course, getting to see my dear friend Governor Sarah Huckabee Sanders," said ACI Founder & Chairman Dr. Ben Carson. "At a time when patriotism and love of country are waning, I find it of the utmost importance to teach the next generation of leaders American excellence, exceptionalism, and ingenuity. It starts with a good education and instilling a deep understanding of our nation's founding principles, ideals, and rich history. I applaud Governor Sanders for leading the charge in Arkansas and inspiring the next generation of American patriots."

"It was a delight hosting my good friend Dr. Carson in our beautiful state and visiting with the lovely students and staff at Christ Little Rock School," said Governor Sarah Huckabee Sanders. "From day one as Governor, prioritizing the education of the next generation of Arkansans has been at the top of my list. Every child deserves a quality education rich with a comprehensive understanding of the history of America. It is encouraging to see leaders like Dr. Carson and his team at the American Cornerstone Institute take this understanding to heart and make it a central part of their mission."
