Dr. Ben Carson to Speak at the Billy Graham Library on the American Cornerstone Institute's Perilous Fight Faith Tour

CHARLOTTE, NC – Dr. Ben Carson, Founder and Chairman of the American Cornerstone Institute, (ACI) will deliver remarks on the importance of preserving faith and family values in American culture at the Billy Graham Library on July 25th. Following the address, Dr. Carson will host a signing of his latest book, *The Perilous Fight: Overcoming Our Culture's War on the American Family* from 1 to 3 p.m.

“I am honored to speak at the Billy Graham Library to a wonderful group of patriots and faith-filled leaders. I want to extend my gratitude to my friend, Franklin Graham, for welcoming me and for being a leader of great integrity and faith,” said ACI Founder & Chairman, Dr. Ben Carson. “We are living in what will be regarded as a critical time in our nation’s history. We have all but abandoned God and the disastrous effects are unfolding before our eyes. It is imperative that we return to a culture that embraces the moral principles America was founded upon. We stand at a crossroads; it’s time to pick up the torch and carry on the perilous fight for the future of America.”

“We are honored to welcome Dr. Ben Carson to the Billy Graham Library. I have known him for over 20 years, and I have great respect for him,” said Franklin Graham, president and CEO of the Billy Graham Evangelistic Association. “I am so grateful for the strong stand he takes for family and the authority of God’s Word, which are foundational pillars of America that have been under attack. Dr. Carson is an important voice in our nation today.”

Copies of *The Perilous Fight* will be available for purchase in Ruth’s Attic bookstore at the Billy Graham Library. Admission is free, and no preregistration is required. For more information about the event, visit BillyGrahamLibrary.org/event/ben-carson-book-signing/.
