Dr. Ben Carson Spoke at the 2024 Truth & Liberty Conference on the American Cornerstone Institute's Perilous Fight Faith Tour

WOODLAND PARK, CO – Dr. Ben Carson, Founder and Chairman of the American Cornerstone Institute (ACI), delivered remarks on the importance of preserving faith and family values in American culture at the 2024 Truth & Liberty Conference hosted by the Truth & Liberty Coalition at Charis Bible College on September 13. Following the address, Dr. Carson hosted a signing of his latest book, *The Perilous Fight: Overcoming Our Culture's War on the American Family*.

“I am deeply honored to speak at the 2024 Truth and Liberty Conference with this incredible gathering of believers and champions of freedom,” said ACI Founder & Chairman, Dr. Ben Carson. “At a time when our nation has largely drifted from the Christian values of faith, family, and country upon which it was founded, it is more critical than ever that we stand firm and fight back. I extend my heartfelt thanks to leaders like Andrew Wommack and Richard Harris for courageously leading this battle.”

“Dr. Carson is an exceptional leader and a shining example that the American dream is still alive and well. Truth & Liberty is very honored and excited that he spoke at our conference,” said Truth and Liberty’s Executive Director, Richard Harris.

Copies of *The Perilous Fight* will continue to be available for purchase at the Charis Bible College bookstore along with online. Admission was free, and to watch the conference sessions, visit <https://truthandliberty.net/conference-2024/>.
